

The Farm That Feeds Us Take-Home Activity Packet

Seed Care Instructions

1. Keep your plant in a sunny area.
2. Keep the soil moist. Water your seed at least once a week.
3. Have patience. It will take about two weeks for your seed to grow.
4. If your plant grows taller than two inches, transplant it into a larger pot/ planter.

Activity 1: Word Hunt

Activity 2: Color the Pollinators

Below is a picture of a butterfly and a hummingbird. What other species are pollinators? (See pages 42 and 43).

The Farm That Feeds Us Take-Home Activity Packet

Activity 3: Plant Diagram

Look at the plant diagram example on this page. Use a gluestick and the provided construction paper cut-outs to create your plant diagram.

Activity 4: Word Scramble

Unscramble the words.

Hint: each word is an animal from pages 58 and 59 of the Farm that Feeds Us.

1. OGD

2. CKDU

3. TAGO

4. RSEOH
